## God's Word Rescues Sinners from the "Dictator Trap"

By Pastor Chris

It was Lord Acton, the British historian, who said: "All power tends to corrupt; absolute power corrupts absolutely." A recent opinion piece in *The Atlantic* applied Acton's adage into recent events, taking aim at Vladimir Putin and the power structure around him.

"Autocrats such as Putin eventually succumb to what may be called the 'dictator trap.' The strategies they use to stay in power tend to trigger their eventual downfall," the author wrote. "Rather than being long-term planners, many make catastrophic short-term errors—the kinds of errors that would likely have been avoided in democratic systems. They hear only from sycophants and get bad advice."

The world rightly has condemned Putin and his actions, but the problem runs deeper than political systems, power structures and ideology. The problem lies with the corruption of original sin that each of us carry.

When Satan called God's integrity into question and invited Adam and Eve to take matters into their own hands and eat the fruit of the tree that God had forbidden, the result ended in a dictator trap. Now, instead of having a heart and mind in alignment with God's good and perfect will -- mankind would now be corrupted by a dictator trap of its own, a heart and will that glorifies and pursues self-interest over and against God's will and the good of neighbor.

## God's Word Rescues Sinners from the "Dictator Trap"

(Continued from Page 1.)

Our Old Adam, corrupted by sin, makes catastrophic errors. Instead of deferring to God's good and gracious will born from His perfect character, our sinful nature seeks to invade and overturn God's rule and reign. We say what is right and wrong. We determine what will be done and what is noble. We become dictators.

When we look at Putin, it's easy to cast disparagements. But we often give a pass to our own questionable rule and reign and the poor decisions that we make. When God's Word enters the picture, we often resent His rightful claim against our dictatorship. Our sinful nature rejects His Word and finds solace in sources that confirm our sinful ideas and opinions and affirm our poor choices. Paul points out this malady when he writes: "For the time is coming when people will not endure sound teaching, but having itching ears, they will accumulate for themselves teachers to suit their own passions and will turn away from listening to the truth and wander off into myths," (2 Timothy 4:3-4).

What is the answer? Paul encourages the young pastor Timothy to proclaim God's Word, even amid staunch opposition, rejection and hostility: "As for you, always be sober-minded, endure suffering, do the work of an evangelist, fulfill your ministry," (2 Timothy 4:5).

Beware, dictators! Stand on alert. God has established a King to usher in the rule and reign of God. God has sent a Champion, come to fight against injustice, oppression, tyranny, corruption, sin, death and darkness. And this King, our Lord, Jesus Christ won the day.

Jesus teaches us to pray "Thy kingdom come" in the Lord's Prayer to make us aware of the dictator trap. Martin Luther explains this petition in this way: "Thy kingdom come. *What does this mean?* The kingdom of God certainly comes by itself without our prayer, but we pray in this petition that it may come to us also. *How does God's kingdom come?* God's kingdom comes when our heavenly Father gives us His Holy Spirit, so that by His grace, we believe His holy Word and lead godly lives here in time and there in eternity."

Through the means of grace, God lovingly gives us His Holy Spirit to bring our destructive dictatorship to an end. And God doesn't operate His Kingdom as a democracy either. A democracy is by no means immune from the corruption of sin. Majority doesn't rule. All "truths" are not equally valid.

The Psalm for Christmas Day declares: "Now therefore, O kings, be wise, be warned, O rulers of the earth. Serve the LORD with fear, and rejoice with trembling. Kiss the Son, lest he be angry, and you perish in the way, for his wrath is quickly kindled. Blessed are all who take refuge in him," (Psalm 2:10-12).

Out of love for us, Christ, the Word made flesh, tears down our empire of dust and brings us into His perfect everlasting Kingdom of justice, righteousness, restoration, light and life. By God's Holy Spirit, we take blessed refuge in Jesus. We hear and trust His Word.

*Pastor Chris*

## Upcoming Bible Studies

**9:30 a.m. Sunday morning Bible study: "Death, Heaven, Resurrection and the New Creation"** - Death is a reality we all must face. Some embrace death as a friend. Others fear it, seeking to avoid it at all costs. But Christians find hope in the Lord Jesus, who overcame the grave. Death has no hold over Jesus, and it will have no hold over you.

**7 p.m. Tuesday night Bible study: "Overcoming Life's Sorrows: Learning from Jeremiah"** - This tour of the book of Jeremiah shows us how to find comfort amid life's grief and heartbreaks by pointing us to Jeremiah's reliance on God and ultimately pointing us to Jesus, the real "man of sorrows" and the One in whom all hope and joy are found. This study will be offered in person and via Zoom. You may enter the meeting manually: Meeting ID: 878 698 0623; Passcode: 497670

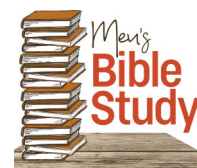

**9 a.m. Thursday Women's Bible study via Zoom: "Deuteronomy – Becoming Holy People"** - In these twelve studies of Deuteronomy, the story of God's people seeking after him will be told. It will teach a lesson to follow God more closely by following their journey, experiencing their progress, their detours and their obstacles.

**7 p.m. Thursday, April 28: Married Couple Bible Study** - The married couple small group Bible study will be taking a look at what God's Word has to say about marriage and showing it is still so relevant today! See Pastor Brian with any questions.

## "Restore His House" Update

Our "Restore His House" three-year capital campaign has ended. It is with great pleasure that we can announce: We have met our \$330,000 goal! Praise the Lord! With more than 88 family units participating, we not only met our goal, but also exceeded it by an additional \$12,000.

During the past three years, some of these donations already have been put to use: the building has new siding, the sanctuary has new shingles and the parking lot has been resurfaced. These funds are also designated for a few more projects that include a new HVAC for the sanctuary, replacing the roof on the narthex, painting the cross tower and new carpet in the sanctuary. We are excited to move forward with these projects.

Thank you to everyone who contributes to the ministry at Beautiful Savior. Each one of you is a blessing. Also we specifically want to thank those who contributed to this capital campaign, those who gave of their time and abilities to get the campaign started and those working to accomplish the projects.

# A Reason to Believe

By Pastor Brian

"But on the first day of the week, at early dawn, they went to the tomb, taking the spices they had prepared. And they found the stone rolled away from the tomb, but when they went in they did not find the body of the Lord Jesus," (Luke 24:1-3).

Easter Sunday morning was difficult for the women who went to visit Jesus' tomb. It was just a few days earlier that they had seen their friend die. The image of Jesus hanging on a cross was still fresh in their minds. The rapid pace at which it had all happened was still stunning.

Have you ever felt like these women would have on their way to Jesus' tomb early that Sunday morning? Have you ever gone nights without sleep because your sorrow is so deep? Has your heart ever tried to carry a heavy burden you did not see coming? Have you ever sat for days in the dark valley, wondering if the recent death of someone you love really happened? Have you ever mourned deep in your soul because of someone or something that suddenly went missing? And if you have felt any of those things, have you ever felt like that feeling is never going to change?

It seems the first women to the grave on Easter morning did. You wouldn't bring burial spices to a grave if you were looking for the living. They weren't expecting to see life. They were expecting to see death. But what they found instead was enough to give hope, peace and joy to anyone who has ever been convinced they will never again feel those wonderful things.

They saw the emptiness of Jesus' grave. They saw proof that Jesus was risen and that His sacrifice for our sins was accepted. They saw God's ability to keep His promises to love us and give us the greatest victory of all. They saw, just as we do, as we consider the empty tomb, the glorious significance of Easter morning. He is risen! He is risen indeed! Alleluia!

## "Main Street Living North" TV Program News

"And if Christ has not been raised, then our preaching is in vain, and your faith is in vain. We are even found to be misrepresenting God, because we testified about God that he raised Christ, whom He did not raise if it is true that the dead are not raised. For if the dead are not raised, not even Christ has been raised. And if Christ has not been raised, your faith is futile, and you are still in your sins ... But in fact Christ has been raised from the dead, the firstfruits of those who have fallen asleep." (1 Corinthians 15:14-20). This is the primary message of our MSLN ministry! He is risen! He is risen indeed!

To add your financial support, checks may be sent to Main Street Living North, 821 Fifth Ave. S., Fargo, ND 58103, or donate by credit card or your PayPal account on the website. Thank you, and God's blessing in Christ!

## Beautiful Savior Celebrates 40 Years

*The fourth in a series on the history of BSLC*

Beautiful Savior's original building was designed for a congregation of about 200 members. Membership rose to 224 members in 1991. Space was at a premium, especially for Sunday school. This led to the establishment of a long-range planning committee in 1991 to study the various alternatives for space requirements.

The congregation started a building fund in December 1991 to begin gathering money for the future. The long-range planning committee studied various alternatives throughout 1992-1993. The church needed more growth to afford a new addition, yet it needed new facilities to grow. The final recommendations were sought to work out a financial arrangement with the North Dakota District to continue sharing the existing building and formed a building task force to add on to the present facility.

A capital campaign, "Growing in Christ," was conducted in the fall of 1994. Contributions totaling \$226,000 during a three-year period were pledged. The congregation set a goal of having \$200,000 before beginning construction.

In an effort to build in 1995, a generous matching gift program was offered by an anonymous donor. This matching gift was successful. It generated \$78,000 in cash by the end of April for the project.

Plans were bid in May 1995 to have work completed by a general contractor. Unfortunately, the bids were too high, and the congregation voted to wait until the spring of 1996 to rebid. What seemed to be an unfortunate delay was really in God's plan, as He led BSLC to the Missouri Synod Laborers for Christ organization. The laborers for Christ consisted mostly of retirees that assist Missouri Synod churches in a variety of construction projects around the world.
